Governor Newsom FOR YOUR SAKE AND ALL OF OURS...

A close-up portrait of Governor Gavin Newsom, looking slightly upwards and to the right with a serious expression. He is wearing a dark suit, white shirt, and dark tie.

Please do not support the wildly unpopular SB 9 & SB 10.

A statewide poll conducted by pollster David Binder from July 27 - 29, 2021, showed 71% of Californians polled oppose SB 9 and 75% oppose SB 10.*

These bills do not address housing affordability and will lead to gentrification.

46% of Californian's said they would be less likely to support you if you signed either bill compared with only 14% who would view you favorably.*
