TIME, GENTLEMAN! CHARLIE TO MARRY

AT LAST, HUNNAM AGREES TO TIE THE KNOT WITH HIS LOVER...

C HARLIE HUNNAM has finally agreed to make an honest woman out of his patient, long-term girlfriend.

The Gentlemen actor admitted his American lover Morgana McNelis, 36, had to twist his arm to persuade him to walk up the aisle.

And, not sugar-coating his indifference to romance, the 39-year-old British screen star revealed: 'I've been with my girlfriend for 14-and-a-half years... I think?! Thirteen-and-a-half years, maybe? Oh gosh.'

Asked how he felt about marriage, Charlie, who starred in Queer As Folk, replied: 'Umm, sort of indifferent. She does not feel the same. She is very eager to get married. I'll do it because it's important to her but I don't have any, sort of, great romantic feelings.'

Still going strong after more than a decade with jewellery designer Morgana, Charlie admits he has got off lightly over the years.

Now starring with Hugh Grant and Matthew McConaughey in gangster flick The

Diamond geezer: Charlie with Morgana, and with Gentlemen co-stars Michelle Dockery, Matthew McConaughey, Hugh Grant and Henry Golding

Gentlemen, he realises the days of doing as he pleases are numbered as the couple move into the parenting age.

In a candid confession, Charlie continued on America's SiriusXM: 'I have an incredibly understanding girlfriend who is requiring more and more as we get older that I figure out a way to balance these things a little better.'

'I've gotten off pretty easily so far, with being able to just disappear and be completely selfish and singular in my focus but, if we're going to start talking about having children and getting married, then I'm going to have to figure out a way to balance that a little bit more effectively.'

... but there's a sting in the tale regarding his wedding tackle

C MEANWHILE Charlie found himself in a real-life nightmare as he ran naked through a wood after being stung under the testicles by a wasp.

It happened during a camping trip last year, when Charlie accidentally kicked a wasps' nest while collecting wood. He was stung in what he

described as a 'sweet piece of no man's land between the anus and the scrotum'.

He recalled: 'I was crouched down picking up firewood and, all of a sudden, wham! Like a snake bite. I was trying to process what could have happened, and bam! Another shrill pain in my ass cheek, then one in the

back of my head, and then one under my armpit. I'd kicked over a nest of yellow jackets.'

He stripped naked as he ran in an attempt to get the wasps to leave him alone. Charlie told Jimmy Fallon's US chat show: 'I realised at that moment that I was actually inside a recurring nightmare.'

WHY CAPALDI IS CHASING A £2,000 SHARE FROM SOMEONE HE LOVED

C LEWIS CAPALDI is expecting a cut of his ex-girlfriend Paige Turley's winnings should she go on to win Love Island.

The Scottish chart conqueror joked he should be due a percentage of the ITV2 dating show's £50,000 prize money after hinting that 22-year-old Paige was probably only picked for the programme because they dated as teenagers.

The Someone You Loved singer said: 'The prize is £50,000 and I'll be like, "They asked you to go on it, right? I'm not saying I'm the

reason but... slide me two grand!"

Singleton Lewis explained there will be no hard feelings if she snaps up a hunk. 'We were 18 when we first met, 19 when we first started going out and 20 when we finished going out,' the 23-year-old Brit nominee spilled on a New Zealand radio show.

'It was fairly amicable, the split. She never told me she was going on the show. That would have been a nice heads-up!'

Tatum's feet under the table again...

C THE new year could bring a new start for Jessie J and Channing Tatum after the former lovers were spotted together.

The pair went to LA furniture shop Restoration Hardware on Sunday afternoon, a month after they ended their year-long affair.

Jessie, 31, and the 39-year-old Magic Mike hunk had got together months after his split from lookalike wife Jenna Dewan.

Is it a Matt-er of the heart, twigs?

C FKA TWIGS may be closing in on another famous boyfriend amid reports that she is dating The 1975 frontman Matt Healy.

There have been increased sightings of the duo, including shopping in London and at the airport in LA. Matt, 30, split from Gabriella Brooks last summer while 31-year-old twigs's exes include Robert Pattinson and Shia LaBeouf.

DATING? THE SPIRIT IS WILLING SAYS SCOTT

C ANDREW SCOTT says he might be world-famous but he's still human when it comes to dating.

The single star's eligible bachelor status soared since playing the 'hot priest' in Fleabag but he shrugged off reports that he has been spotted on dating apps.

The 43-year-old Irishman says it's only natural that he's out on the scene. 'You don't upend yourself from humanity,' he added after celebrating his Critics' Choice Award in LA.

Andrew also warned fans obsessed by his holy turn that he won't be pigeonholed as the 'hot priest' from now on.

'Well, that's up to me really, isn't it?' he said. 'Before, I was in a show called Sherlock and I was playing villains and I thought, "I don't always want to play a villain and at the moment it's a priest". And so it's my job to sort of smash that down and make bold choices.'
